PROPOSED ACTION MEMORANDUM (PAM) FOR HOT SPOT REMOVAL, OPERABLE UNIT
(OU) 1 - RZH-020-94

Action: Provide concurrence on PAM

Attached is the Proposed Action Memorandum (PAM) for Hot Spot Removal, OU 1. This document is the latest edition and addresses the comments made by Tim Reeves which I received yesterday morning.

As soon as I receive your concurrence on this document, we will deliver it to the regulatory agencies and Reading Rooms. We will also advertise an invitation to comment in the newspapers, thereby beginning the 30-day public review and comment period.

If you have any questions, please contact me immediately. As you have instructed me several times, it is urgent to promulgate this PAM as rapidly as possible.
